

London Killzone · Asian Sweep Reversal

Concept

Smart-money M.O. at the London open: spike through the Asian range to grab stops, then reverse for the real move. We wait for the sweep (wick beyond Asian H/L, close back inside) then enter on the rejection candle.

Rules

- Session — London killzone (02:00-05:00 NY).
- Asian range — Bars from 20:00 prior day -> 02:00 NY define Asian high/low.
- Sweep — 15m wick beyond Asian H or L, body closes back inside.
- Direction — Sweep high -> SHORT, sweep low -> LONG.

Entry

- Limit at midpoint of sweep wick.

Stop loss

- Beyond sweep wick + $0.3 \times \text{ATR}$.

Take profit

- TP1: $1.1 \times \text{risk}$ · TP2: $1.5 \times \text{risk}$ · SL: $1.0 \times \text{risk}$
